(167) 361-3493

1601 Pennsylvania Ave, Washington, DC 20500

---

I have over three years of experience teaching fourth grade. I am certified in elementary education and have a minor in math. I love working with kids and helping them learn. In my previous positions, I have created successful lesson plans, implemented effective classroom management techniques, and helped students reach their academic potential.

---

### 4th Grade Teacher at Yellowstone National Park, MT

Jun 2022 - Present

- Taught a class of 30 fourth graders.
- Led whole-class, small-group, and one-on-one instruction.
- Developed and implemented engaging lesson plans.
- Assessed student learning through informal and formal assessments.
- Managed student behavior in the classroom.

### Assistant 4th Grade Teacher at Glacier National Park, MT

Aug 2019 - Apr 2022

- Led a class of 26 students in all core subject areas.
  - Implemented new teaching strategies that improved student engagement by 20%.
  - Created and taught engaging, age-appropriate lesson plans.
  - Worked with parents and guardians to support student success.
  - Monitored student progress and provided feedback to help them improve.
- 

### Bachelor of Science in Education at Montana State University

Aug 2014 - May 2019

I have learned how to effectively communicate with students, how to manage a classroom, how to teach using various methods, and how to assess student learning.
