

Krishna Coopwood

Animal Shelter Worker

Profile

I have over 1 year of experience working in an animal shelter. I am passionate about helping animals, and I have a strong interest in animal welfare. I am knowledgeable about the care and management of different types of animals, and I am experienced in handling both small and large animals. I possess excellent customer service skills, which has helped me build positive relationships with our clients. My goal is to continue to work hard in order to provide the best possible care for the animals under our protection

Employment History
