

Dore Pillers

Aquatics Director

I have over five years of experience managing and directing aquatics programs. In my previous roles, I successfully implemented new programming, managed budgets and staff, and cultivated positive relationships with members. I am passionate about providing high-quality aquatic experiences that are safe, enjoyable, and meet the needs of our community. As Aquatics Director, I will be responsible for overseeing all aspects of the department including operations, staffing, budgeting, program development/implementation, and member relations. My goal is to ensure that we provide excellent customer service while maintaining a clean, safe environment.
