

Marli Reininga

Architectural Designer

Profile

I am an architectural designer with over 5 years of experience in the industry. I have worked on a variety of project types, including residential, commercial, and institutional. I have a strong understanding of building codes and regulations, as well as construction methods and materials. In addition to my design skills, I also possess excellent communication and problem-solving abilities. These skills allow me to effectively collaborate with clients, consultants, and contractors to ensure that projects are completed successfully

Employment History

Architectural Designer at Gensler, AR

Mar 2022 - Present

- Led the design of a \$10 million office building that received LEED Gold certification.
- Designed a 200-unit residential development that was completed on time and under budget.
