Lanitra Kirzner

Architectural Technician

Over 5 years of experience as an architectural technician. I have worked on a variety of projects, both small and large scale. I am experienced in all aspects of the design process, from initial concept through to construction drawings and project coordination. I am highly organized and efficient, with a strong attention to detail. I am able to work independently or as part of a team, and have excellent communication skills.

Education

Architectural Technician Diploma at Georgia Institute of Technology

Sep 2013 - May 2017

Some skills I've learned are reading and understanding blueprints, being able to visualize three-dimensional objects from two-dimensional drawings, and having an understanding of building materials and construction methods.
