

INGRIS TORRUELLA

Assembler II

ingris.torruella@gmail.com

(134) 054-4571

8702 W Center St, Milwaukee, WI 53222

PROFILE

I have over three years of experience as an Assembler II. I am responsible for performing a variety of tasks to assemble products and components. I follow blueprints, diagrams, or engineering plans to ensure that the finished product meets specifications. In addition, I use a variety of tools to complete my work including power drills, soldering irons, and wrenches.
