

# Sharline Piligian

## Assistant Interior Designer

I am an assistant interior designer with over 1 year of experience. I have a degree in Interior Design from the University of Florida and I am a certified member of the American Society of Interior Designers. I have worked on residential, commercial, and hospitality projects. My strengths include space planning, furniture selection, finishes selections, and project management. In my previous role as an Assistant Designer at ABC Interiors, Inc., I assisted the lead designer with all aspects of the design process including client presentations, construction documents, and ordering materials
