632 Starlight Way, Melbourne, FL 32901

Profile

I am an athletic training assistant with over 1 year of experience. I have a passion for helping athletes and working with a team to ensure their success. I have gained valuable experience in injury prevention, rehabilitation and treatment while working closely with the head athletic trainer. My goal is to continue to learn and grow in my knowledge of the field so that I can provide the best possible care for my patients.

Employment History

Athletic Training Assistant at Eckerd College, FL

Mar 2022 - Present

- Assisted in the rehabilitation of 50 athletes per week.
- Created and implemented individualized training programs for 20 injured athletes.
- Monitored progress of 10 athletes during their return to sport following injury.
- Assisted with coverage for 15 home games and 5 away games.
- Maintained inventory of supplies and equipment worth \$5,000.
- Managed budget of \$1,500 per month.

Athletic Training Associate at Seminole State College of Florida, FL

Aug 2021 - Jan 2022

- I successfully completed over 500 hours of clinical rotations in various settings, including outpatient orthopedics, high school athletics, and collegiate athletics.
 - I gained experience working with a variety of patient populations, ranging from young athletes to elderly patients.
 - I developed strong relationships with the supervising athletic trainers and other healthcare professionals at each rotation site.
 - I was able to effectively communicate with patients and families about their injury/illness and create individualized treatment plans.
 - I consistently provided high-quality care and documented all treatments accurately in the electronic medical record system.
 - I contributed to positive outcomes for my patients by helping them safely return to activity levels prior to their injury/illness.
-

Education

Associate's Degree in Athletic Training at Florida State University

Sep 2017 - May 2021

I have learned how to prevent, diagnose, and treat injuries and illnesses related to physical activity.
