I am an auditor with over 5 years of experience. I have audited a variety of businesses, from small businesses to large corporations. I have a strong eye for detail and take pride in my work. I am able to identify potential risks and areas for improvement within a company. My goal is always to help the client improve their operations and prevent future problems.

Senior Auditor at Ernst & Young LLP, WV

Apr 2022 - Present

- Led audit team in assessing risks and designing testing procedures for client's new software application - this resulted in a more efficient and effective audit.
- Reviewed 100% of general ledger transactions for assigned clients to identify errors and discrepancies - identified \$5,000 error that was corrected by client.
- Developed strong relationships with clients through regular communication and on-site visits - led to two upsells of additional services totaling \$15,000 in revenue.
- Prepared detailed reports summarizing findings from audits which were used by management to make decisions regarding internal controls improvements.
- Trained junior staff members on best practices for auditing techniques.
