

Gusta Delashmutt

Bakery Team Leader

Profile

A highly motivated and experienced Bakery Team Leader with over 5 years experience in the food industry. I have a proven track record in leading successful teams and managing all aspects of bakery operations including production, packaging, stock control and quality assurance. I am passionate about delivering high quality products to customers and thrive in fast paced environments. I am an excellent communicator with strong interpersonal skills which enable me to build positive relationships with colleagues at all levels
