PROFILE

I am a billing and coding specialist with over three years of experience. I have worked in both hospital and private practices, and have vast experience with medical billing software and coding systems. I am extremely detail-oriented and thrive in fast-paced environments. My strong communication skills allow me to effectively communicate with insurance companies, patients, and co-workers.

EMPLOYMENT HISTORY

● Billing and Coding Specialist at Molina Healthcare, OH

May 2022 - Present

- Reduced the billing backlog by 50% within 6 months.
