## Profile

I am a brick mason with over three years of experience. I have worked on both commercial and residential projects, and have gained a reputation for being reliable and efficient. My attention to detail ensures that every job is completed to the highest standard, and my clients are always happy with the results.

## Employment History

### Lead Brick Mason at American Brick Masonry, WI

Mar 2022 - Present

- Led a team of brick masons in constructing a new office building. The project was completed on time and within budget.
- Constructed a new home for a family in need. The home was built to the family's specifications and met all local code requirements.
- Restored an historic courthouse to its original condition. The project took two years to complete and required careful attention to detail.
- Replaced the roof on an elementary school. The job was completed safely and without incident.
- Built a retaining wall that has held up against severe weather conditions for over 10 years.

### Brick Mason at Bricklayers and Allied Craftworkers, WI

Sep 2019 - Jan 2022

- Constructed buildings made of brick and stone according to specifications.
- Laid bricks in designated areas in order to create patterns or images.
- Placed mortar between bricks in order to bind them together.
- Repaired existing structures by replacing damaged bricks and patching up holes.
- Worked with other masons and construction workers on site.
