

# Ladean Scheurman

Certified Coding Associate (CCA)

## Profile

As a certified coding associate with over three years of experience, I have extensive knowledge in medical billing and coding. My experience has taught me how to handle a variety of patient records, including those for insurance purposes. I am also proficient in using Electronic Health Records (EHRs). In addition to my coding skills, I possess excellent organizational abilities that allow me to keep track of deadlines and work on multiple projects simultaneously.

## Employment History

### Certified Coding Associate (CCA) at American Health Information Management Association (AHIMA), TX

Jun 2022 - Present

- Certified over 500 medical records for coding accuracy.
