## Certified Coding Specialist (CCS)

Over 3 years of experience as a Certified Coding Specialist. I have experience working in both outpatient and inpatient settings, as well as with electronic medical records. I am CPC certified through the AAPC and have my RHIT certification from AHIMA. My coding knowledge includes but is not limited to: CPT, HCPCS, and ICD-10-CM/PCS. In addition to being a skilled coder, I also possess excellent communication skills which come into play when collaborating with other members of the healthcare team or educating patients on their diagnoses and treatment plans
