PROFILE

I have over three years of experience as a Certified Lactation Counselor. I have helped mothers with breastfeeding issues ranging from latch to weaning. I am passionate about helping mothers reach their breastfeeding goals and providing support during this special time. In addition to my counseling services, I also provide lactation education and resources.

EMPLOYMENT HISTORY

● Certified Lactation Counselor at La Leche League International, OH

Mar 2022 - Present

- Successfully counseled over 200 breastfeeding mothers on proper latch techniques, milk production, and weaning.
- Successfully increased the rates of exclusive breastfeeding in hospital from 30% to 70%.
- Authored a successful grant which resulted in \$10,000 worth of funding for a new lactation room and equipment.
- Successfully implemented a peer-to-peer support program for new mothers which has shown to reduce anxiety and depression scores by 50%.
- Led educational sessions on proper infant nutrition for over 500 expectant parents.

● Lactation Counselor at Ohio Breastfeeding Alliance, OH

Jul 2019 - Feb 2022

- Counseled 500 new and expecting mothers on breastfeeding techniques.
- Led 200 lactation support groups.
- Trained 100 hospital staff members on proper breastfeeding protocol.
- Authored 50 articles on various aspects of lactation for popular parenting magazines.
- Presented at 10 national conferences on topics related to lactation counseling.
