

Genevive Sadkowski

Certified Massage Practitioner

Profile

I am a certified massage practitioner with over 2 years of experience. I have worked with clients of all ages and backgrounds, and have developed a strong understanding of the human body and how it responds to touch. I specialize in Swedish massages, but am also skilled in deep tissue, sports, and trigger point therapies. I believe that massage is an excellent way to reduce stress, relieve pain, and promote overall wellness. As such, I approach each session with the goal of helping my clients feel their best.
