EMPLOYMENT HISTORY

● Certified Nursing Assistant at At Home Healthcare, NM

Jun 2022 - Present

- Assisted in the care of 30 patients on a busy medical-surgical unit.
- Acted as charge nurse on 3 occasions, responsible for coordinating patient care and staffing.
- Demonstrated expert level knowledge of EMR systems and charting.
- Trained 2 new CNAs on the floor policies and procedures.
- Consistently received positive feedback from patients regarding outstanding levels of care.

● Certified Nursing Assistant II at Presbyterian Healthcare Services, NM

Jul 2021 - May 2022

- Assisted with the care of 35 patients on a busy medical-surgical floor.
- Monitored and recorded vital signs, intake and output, and daily weights for all patients.
- Administered medications to patients as prescribed by physicians.
- Assisted with ambulation and transfers of patients using proper body mechanics.
- Provided emotional support to patients and families during times of illness or stress.
- Maintained a clean, safe environment for all patients.

EDUCATION

Certified Nursing Assistant Diploma at Central New Mexico Community College, NM

Aug 2016 - May 2021

Some skills I've learned are bedside manner, how to take vitals, how to handle different types of medical equipment, and how to provide basic care to patients.
