PROFILE

As a Charge Nurse for over 5 years, I have gained a wealth of experience in providing top-notch patient care. I am an expert in managing nursing staff and ensuring that patients receive the best possible care. In addition, I have developed strong relationships with physicians and other health care providers to ensure coordinated and comprehensive patient care.

EMPLOYMENT HISTORY

● Charge Nurse at Robert Wood Johnson University Hospital, NJ

Apr 2022 - Present

- Led a team of 20 nurses in providing direct patient care.
- Supervised the implementation of new policies and procedures.
- Monitored staff performance and provided feedback for improvement.
- Trained new employees on proper nursing techniques.
- Acted as a resource to other departments within the hospital.
- Successfully reduced medication errors by 30%.

● Staff Nurse at Newark Beth Israel Medical Center, NJ

Jul 2017 - Feb 2022

- Demonstrated excellence in patient care by consistently providing high-quality nursing services to patients.
- Demonstrated strong leadership qualities by assuming charge nurse responsibilities on a regular basis and effectively leading the nursing staff.
- Successfully completed an average of 15 patient admissions per shift.
- Maintained accurate and up-to-date documentation of all patient treatments and changes in condition in the medical record.
- Monitored supplies and equipment levels on unit, taking action to ensure adequate inventory at all times.
- Acted as a preceptor for new nurses orienting to the unit.
