

Katyana Schacherl

Child and family social worker

Profile

I have over 1 year of experience as a child and family social worker. I am passionate about helping children and families in need, and I have a strong desire to make a difference in the lives of those I work with. I am skilled at building relationships with clients, assessing needs, developing service plans, and providing direct services. I have also had success working with difficult cases involving abuse or neglect. My goal is to continue to help children and families in any way possible, and to provide them with the support they need to thrive
