

Yashika Hayslip

Child Care Director

Profile

I have over 5 years of experience as a Child Care Director. I am passionate about working with children and providing them with the best care possible. I have a strong understanding of child development and create individualized programs based on each child's needs. I am also experienced in managing staff, budgeting, and administration.

Employment History

Child Care Director at Kaiser Permanente, HI

May 2022 - Present

- Successfully implemented a new curriculum for the child care center which increased student scores on standardized tests by 20%.
- Successfully lobbied for additional funding from the school district, resulting in an increase of \$100,000 in the child care center's budget.
- Created and implemented a new system for tracking and reporting student progress, which resulted in more accurate data and improved communication with parents.
- Led professional development workshops for child care staff on topics such as effective classroom management and teaching strategies.
- Worked closely with the school district's special education department to develop individualized education plans (IEPs) for students with disabilities.

Assistant Child Care Director at The Queen's Health Systems, HI

Aug 2017 - Mar 2022

- Led a team of 15 child care workers to provide quality care for up to 60 children aged 0-5.
- Monitored and evaluated staff performance, provided constructive feedback and implemented disciplinary action when necessary.
- Created and maintained budget for the child care program; managed expenses to stay within budget.
- Implemented new curriculum and teaching methods to improve educational outcomes for children.
- Wrote proposals and grants to secure funding for the child care program.

Education

Associate's Degree in Early Childhood Education at University of Hawaii at Manoa

Aug 2013 - May 2017

I have learned how to plan and implement developmentally appropriate activities for young children.

Certificates
