

Bobbette Duin

Clinical Nurse Specialist

I am a highly experienced Clinical Nurse Specialist with over 5 years of experience in providing direct patient care, developing and implementing nursing policies, and supervising staff nurses. I have extensive knowledge of evidence-based practice guidelines and possess excellent interpersonal skills that enable me to effectively communicate with patients, families, and interdisciplinary team members. I am passionate about promoting the highest quality of patient care possible and continually strive to improve my clinical knowledge and expertise.
