

# Elenamarie Car

Clinical Nurse Specialist

## Profile

I am a highly experienced Clinical Nurse Specialist with over 5 years of experience working in the medical field. I have worked extensively with patients suffering from chronic illnesses, and have gained a wealth of knowledge in this area. I am passionate about providing excellent patient care, and work tirelessly to ensure that my patients receive the best possible treatment. I am an expert at coordinating care between different health professionals, and have been recognized for my ability to effectively communicate with both patients and families.

## Employment History

### Clinical Nurse Specialist at Santa Fe Healthcare, NM

Apr 2022 - Present

- Led a team of nurses in providing care to patients with chronic illnesses.
- Supervised the implementation of new clinical protocols.
- Trained other nurses in evidence-based practice.
- Presented at national conferences on nursing research findings.
- Authored articles for peer-reviewed journals on topics related to nursing care of chronic illness.
- Served as an expert witness in legal cases involving issues related to nursing care.

### Clinical Nurse Specialist II at University of New Mexico Health System, NM

Sep 2017 - Feb 2022

- Led a team of 8 nurses in providing direct patient care to 40 patients with chronic illnesses.
- Monitored and evaluated the progress of each patient and made necessary changes to treatment plans accordingly.
- Collaborated with physicians, dietitians, social workers, and other health professionals to ensure that all aspects of patient care were considered.
- Presented at monthly case conferences to share best practices for managing chronic illness cases.
- Authored an article on nursing management of chronic heart failure which was published in the Journal of Nursing Care Quality.
- Implemented a new evidence-based practice protocol for managing diabetic ketoacidosis in adults which resulted in a decrease in length of stay by an average of 2 days per patient.
