

Sharleen Rytlewski

Community health worker

Profile

I have over 1 year of experience as a community health worker. In my role, I provide direct services to clients and communities in need, including but not limited to case management, resource navigation, advocacy, outreach, and education. I am passionate about social justice and committed to working with underserved populations. I have a deep understanding of the challenges faced by these groups and possess the skills necessary to address them effectively. My goal is always to empower individuals and families so that they can lead healthier lives.
