

Valle Nicpon

Community health worker

Profile

I am a community health worker with over 1 year of experience. I have worked extensively with underserved populations in both clinical and non-clinical settings. I have a strong commitment to social justice and equity, and my work has been focused on addressing the needs of marginalized communities. I am skilled in program development, outreach, and education, and have a deep understanding of the challenges faced by those living in poverty or without access to healthcare. I am passionate about working to improve the health of my community, and believe that everyone deserves quality healthcare.
