Profile

I have over 1 year of experience as a construction laborer. I am hardworking and dedicated, and I take pride in my work. I have a strong attention to detail and always follow instructions carefully. I am also physically fit and able to lift heavy objects or perform other strenuous tasks if necessary. In addition, I am safety-conscious and always follow all safety protocols on the job site.

Employment History

Construction Laborer at I-95 Corridor Construction, NC

May 2022 - Present

- Maintained a clean and safe work site.
- Unloaded and delivered construction materials to job sites.
- Dug trenches for utility lines or footings.
- Erected scaffolding, shored up excavations, and set braces to support sides of holes.
- Mixed cement by hand or with portable mixers.

Construction Worker at Coastal Carolina Commercial Construction, NC

Sep 2021 - Apr 2022

- Constructed a 30-story office building in downtown Chicago: oversaw a team of 100 workers and completed the project on time and under budget.
- Constructed a 3-mile section of interstate highway: managed a crew of 50 workers and finished the job ahead of schedule.
- Renovated an old factory into modern apartments: led a team of 60 workers to renovate the factory in 6 months, under budget and without any injuries.
- Built a new school in rural Africa: helped build the school over 2 years while living in remote village with no running water or electricity.
- Helped rebuild homes after Hurricane Katrina: spent 3 months helping to rebuild houses in New Orleans after the hurricane.
