

Areil Antons

Construction manager

Employment History

Construction Manager at Kiewit Corporation, LA

Jun 2022 - Present

- I oversaw the construction of a \$2 million office building.
- I managed a team of 30 construction workers.
- I successfully completed 4 major construction projects on time and under budget.
- I have experience working with city planners to get the necessary permits for my projects.
- In my previous job, I increased productivity by 20% through better organization and scheduling.

Assistant Construction Manager at Turner Construction Company, LA

Sep 2020 - May 2022

- Led a team of 30 construction workers in the building of a 20-story office tower.
- Completed the project on time and within budget.
- Successfully negotiated with vendors to get discounts on supplies and equipment.
- Trained new employees in safety procedures and job duties.
- Wrote daily reports documenting progress, problems, and solutions for the construction manager.

Construction Project Manager at Jacobs Engineering Group, LA

Sep 2015 - Aug 2020

- Led a team of 30 construction workers to renovate an old school building into a modern library. The project was completed on time and under budget.
- Managed the construction of a new shopping center, which opened ahead of schedule and brought in revenue that exceeded expectations.
- Oversaw the expansion of a factory, ensuring that production could continue uninterrupted during the construction process.
- Directed the construction of a high-rise office building, meeting all safety standards and completing the project on time despite bad weather conditions.
