HOBBIES

Building things – whether it's a birdhouse or a deck, many construction superintendents enjoy creating things with their hands.

EMPLOYMENT HISTORY

● Construction Superintendent at Turner Construction Company, LA

Mar 2022 - Present

- Led a team of 30 construction workers in the building of a \$2 million office complex. The project was completed on time and under budget.
- Supervised the construction of a 5-story hotel, ensuring that all safety regulations were followed and that the project stayed on schedule.
- Oversaw the renovation of an old factory into modern apartments, meeting all city code requirements while staying within budget.
- Was responsible for managing a crew of 50 workers during the construction of a new shopping center; managed to keep costs down by 10% without compromising quality or safety standards.
- Successfully coordinated between different teams working on site during construction which resulted in no major accidents or injuries.

● Assistant Construction Superintendent at The Whiting-Turner Contracting Company, LA

Jul 2020 - Feb 2022

- Led a team of 15 construction workers in the completion of a \$2 million commercial building.
- Completed assigned projects ahead of schedule by an average of 10%.
- Reduced project costs by an average of 5% through effective resource management.
- Was commended by clients for completing high-quality work that exceeded expectations.
- Developed and implemented new safety procedures that reduced on-the-job accidents by 25%.
- Trained and mentored 4 junior staff members, who were later promoted to superintendent positions.

● Construction Superintendent Trainee at Kiewit Corporation, LA

Aug 2015 - May 2020

- Led a team of 12 in the construction of a 20,000 square foot shopping center.
- Completed the project on time and within budget.
- Was responsible for safety on the job site and ensuring that all OSHA regulations were followed.
- Coordinated with subcontractors to ensure that work was completed according to schedule.
- Implemented new methods of construction which resulted in a 10% increase in productivity.
