EMPLOYMENT HISTORY

● Construction worker at Naylor Construction, OR

Apr 2022 - Present

- I increased productivity on my construction site by 10% through the implementation of better organization techniques.
- I successfully completed a \$2 million construction project ahead of schedule and under budget.
- I safely oversaw the demolition of an old office building, which was then replaced with a new one.
- I have been working as a Construction worker for 5 years and have overseen the successful completion of multiple projects.
- In my role as Construction worker, I have frequently had to work long hours in order to meet deadlines.

● Associate Construction worker at Reynolds Construction, OR

Jul 2021 - Feb 2022

- Assisted in the construction of a three-story office building by performing various tasks such as measuring and cutting lumber, mixing concrete, and operating power tools.
- Erected scaffolding on site to provide safe access for workers during construction.
- Removed debris from the work site daily to maintain a clean and safe environment.
- Painted interior walls of newly constructed offices according to company specifications.
- Installed drywall sheets in offices using handtools and power drills.
- Applied texture finish to drywall surfaces using texturing guns.
