Agusta Cichanski

Data Wrangler

👤 Profile

I have over three years of experience as a data wrangler. I have worked withSeveral clients in different industries including retail, e-commerce, and healthcare. My work revolves around collecting, cleaning, and organizing data so that it can be used for analysis or decision making purposes. In my previous roles, I have utilized various tools such as Excel, SQL, Tableau to achieve the desired results. My ability to understand client requirements and deliverables has been appreciated by my past employers.
