I am a Dental Technician with over 5 years of experience. I have worked in both private and corporate dental practices, and have gained a wealth of knowledge in the field. I am highly skilled in fabricating crowns, bridges, veneers, dentures, implants and orthodontic appliances. I take great pride in my work and always strive to produce the highest quality products for my patients. In addition to being an expert craftsman, I am also excellent at communicating with patients and providing them with superb customer service.
