

Tashira Devay

Diagnostic Medical Sonographer

I am a certified Diagnostic Medical Sonographer with over 1 year of experience in the field. I have gained a strong reputation as an expert in my field, and have successfully completed countless diagnostic procedures. I am passionate about providing quality patient care, and take great pride in ensuring that each and every one of my patients receives the highest standard of care possible. In addition to my technical skills, I also possess excellent interpersonal communication skills which allow me to build rapport with patients quickly and effectively.
