## PROFILE

I have over 3 years of experience as a Digital Intermediate Technician. I am experienced in working with clients to create the final product they are looking for, whether it is a feature film or commercial. I have a strong eye for detail and take pride in my work. I am also proficient in color grading, which helps bring the client's vision to life.

## EMPLOYMENT HISTORY

### ● Senior Digital Intermediate Technician at Cinevision, UT

Jun 2022 - Present

- Created over 500 digital intermediate projects for feature films, documentaries, and commercials.
