

# Eloina Sotherland

Electrical Maintenance Technician

## Profile

I am an experienced electrical maintenance technician with over three years of experience. I have gained a strong understanding of electrical systems and how to maintain them through my work in the industry. My skills include troubleshooting, repairs, installations, and preventative maintenance. I am able to work independently or as part of a team, and I take pride in providing high-quality workmanship. I am reliable and adaptable, which has allowed me to excel in various settings.

## Employment History

### Lead Electrical Maintenance Technician at General Electric, IN

Mar 2022 - Present

- Led a team of five maintenance technicians in performing preventative and corrective maintenance on electrical equipment.
- Implemented a new maintenance schedule that decreased downtime by 20%.
- Trained two new Maintenance Technicians in safely performing electrical work.
- Correctly diagnosed and repaired an electrical issue that had been plaguing the production line for months.
- Successfully completed all yearly safety training courses.

### Electrical Maintenance Technician II at Westinghouse, IN

Sep 2019 - Feb 2022

- Installed 100 new light fixtures in the warehouse.
- Rewired the entire office building.
