Profile

I have over three years of experience as an emergency medical technician. I am certified in CPR and First Aid, and have a valid driver's license. I am able to lift up to 150 pounds and have no problem working long hours. I am reliable, punctual, and always put the safety of my patients first.

Employment History

Emergency Medical Technician at AMR, PA

Apr 2022 - Present

- Assisted in the transport of over 100 patients to the hospital during my shift.
- Demonstrated expert knowledge of emergency medical procedures and techniques while performing them on patients.
- Efficiently operated all equipment necessary for providing care to patients including stretchers, defibrillators, and oxygen tanks.
- Maintained composure under high-pressure situations such as when multiple critical patients needed assistance at once.
- Communicated effectively with other members of the EMS team as well as with doctors and nurses at the hospital.

Emergency Medical Technician II at TotalCare EMS, PA

Jul 2019 - Mar 2022

- Assisted in the transport of over 100 patients to the hospital during my shift.
- Assisted in administering CPR to 3 patients.
- Helped set up and maintain IVs for 2 trauma patients.
- Monitored vitals and patient status for 5 critical care patients.
