

May Strength

ESL Teacher – Adult Education

Profile

I am an ESL Teacher with over 1 year of experience teaching adult students in a classroom setting. I have a strong interest in and commitment to education, as well as excellent communication and interpersonal skills. My goal is always to help my students reach their full potential by providing them with the tools they need to succeed both academically and personally. In addition to my teaching experience, I also have extensive training in second language acquisition theories and methodologies.

Employment History
