## PROFILE

I am a highly experienced finance manager with over 5 years in the field. I have extensive experience working with businesses of all sizes to develop and implement financial strategies that are aligned with business goals. I have a proven track record in delivering results and improving bottom line performance. I am proactive, analytical and efficient, with excellent communication skills. I thrive in fast-paced environments and can think on my feet to solve problems quickly.

## EMPLOYMENT HISTORY

### ● Finance Manager at Alaska National Bank, AK

Mar 2022 - Present

- Successfully managed a team of finance analysts and accountants, overseeing all daily operations and long-term projects.
- Created new financial forecasting models which increased accuracy by 15%.
- Streamlined the month-end close process, reducing time spent by 2 days.
- Negotiated with vendors to secure more favorable terms for the company, resulting in \$50K in annual savings.
- Led implementation of a new ERP system which resulted in improved data tracking and analysis.

### ● Assistant Finance Manager at Northrim Bank, AK

Jul 2017 - Feb 2022

- Successfully completed a full audit of the company's financials, resulting in no changes or recommendations from the auditors.
- Prepared and filed all tax documents for the company on time, resulting in zero penalties or interest charges.
- Spear-headed implementation of new accounting software which resulted in \$100,000 savings per year in accounting fees.
- Negotiated better terms with vendors which saved the company \$50,000 per year.
- Created budgeting process which improved forecasting accuracy by 10%.
