

SOPHONIE PETRELLA

First Officer

sophonie.petrella@gmail.com

(904) 179-6709

1231 Pine Street, Portland, OR 97205

PROFILE

First Officer with over 3 years of experience flying single and twin-engine aircraft. I am a motivated professional who is passionate about aviation. I have excellent communication and interpersonal skills, which has allowed me to build strong relationships with my co-workers. My goal is to continue to develop my skills as a First Officer so that I can become a Captain in the near future.

EMPLOYMENT HISTORY

● First Officer at Horizon Air, OR

May 2022 - Present

- Successfully completed over 50 takeoffs and landings.
- Worked closely with Captain to ensure the safety of passengers and crew.
- Contributed to smooth flight operations by monitoring aircraft systems and communicating effectively with other members of the flight deck crew.
- Demonstrated excellent customer service skills by interacting positively with passengers during boarding, in-flight, and deplaning procedures.
- Maintained a high level of situational awareness at all times.

● Associate First Officer at Allegiant Air, OR

Aug 2019 - Apr 2022

- Assisted the captain in flying the plane and keeping passengers safe during turbulence.
- Made sure that all checklists were completed before takeoff and landing.
- Monitored engine performance and assisted with troubleshooting any issues.
- Communicated with air traffic control to ensure a smooth flight.
- Acted as a liaison between the captain and cabin crew, ensuring everyone was on the same page.

EDUCATION

Associate of Arts in Aviation Science at Central Oregon Community College

Aug 2014 - May 2019

I've learned how to fly an airplane, how to navigate using only a map and compass, and how to communicate using aviation radios.
