(804) 062-5734

102 N Lamar Blvd, Oxford, MS 38655

PROFILE

I am a Hand Occupational Therapist with over 1 year of experience. I have worked in both inpatient and outpatient settings, helping patients regain function and quality of life after injury or illness. I am skilled in custom splinting, wound care, therapeutic exercise, patient education, and documentation. I am passionate about helping my patients reach their goals and return to the things they love doing.

EMPLOYMENT HISTORY

● Hand Occupational Therapist at Rehabilitation Centers of Mississippi, MS

Mar 2022 - Present

- Reduced patient's pain level from a 7 to a 4 on a scale of 1-10 within 2 weeks through the use of massage and stretching techniques.
- Increased patient's range of motion by 50% in 3 weeks through the use of exercises and manual therapy.
- Educated patients and caregivers on proper ergonomics, body mechanics, and self-care strategies to prevent further injury.
- Helped patient regain independence with activities of daily living such as bathing, dressing, grooming, etc.
- Designed individualized home exercise programs for patients to continue their progress outside of therapy sessions.

● Occupational Therapist at Mississippi Therapy Services, MS

Sep 2021 - Jan 2022

- Successfully implemented an occupational therapy program for a school district with over 2,000 students.
- Established and managed an outpatient clinic specializing in treating patients with neurological conditions.
- Developed a new treatment protocol that improved patient outcomes by 30%.
- Trained 5 new occupational therapists in my clinical specialty.
- Presented at 3 national conferences on the topic of using virtual reality to improve motor skills in stroke patients.

EDUCATION

Associate of Science in Occupational Therapy at Mississippi State University

Aug 2017 - May 2021

Some skills I've learned are how to better communicate with people, how to better understand people's emotions and needs, and how to better collaborate with others.
