Profile

I am a Healthcare Administrator with over 5 years of experience in the industry. I have worked extensively with both patients and staff, and have a deep understanding of what it takes to run a successful healthcare facility. I am an expert at managing finances, developing policies and procedures, and ensuring that all regulatory requirements are met. I am passionate about my work and take great pride in providing quality care for our patients.

Employment History

Healthcare Administrator at A-1 Home Healthcare, NV

Mar 2022 - Present

- Led a team of 50+ employees and successfully reduced staff turnover by 15%.
