I am a Healthcare social worker with over 3 years of experience. I have worked in a variety of settings, including hospitals, clinics, and private practices. I have provided direct care to patients and families dealing with chronic illness, terminal illness, mental health issues, substance abuse problems, and more. I am skilled at connecting people with resources they need in order to improve their quality of life. I am passionate about helping others and committed to making a difference in the lives of those I serve.
