

STAVROULA FAINA

High School Science Teacher

stavroula.faina@gmail.com

(390) 094-6157

4821 Oakwood Circle, Duluth, GA 30096

PROFILE

I am a high school science teacher with over 5 years of experience teaching students in grades 9-12. I have a passion for science and enjoy sharing my knowledge with others. I am experienced in designing and delivering engaging lessons, as well as assessing student learning outcomes. In addition to my classroom experience, I have also served on various committees at the school and district level, which has allowed me to develop strong leadership skills.

EMPLOYMENT HISTORY

● High School Science Teacher at Georgia Department of Education, GA

Apr 2022 - Present

- Taught high school science to students aged 14-18.
- Prepared lesson plans and delivered lectures on topics such as chemistry, physics, and biology.
- Assigned and graded classwork and exams.
- Advised and mentored students on scientific research projects.
- Led extracurricular science clubs and activities.

● Assistant High School Science Teacher at Fulton County Schools, GA

Sep 2017 - Mar 2022

- Successfully taught 9th and 10th grade science classes, covering topics such as biology, chemistry, and physics.
- Planned and executed engaging lesson plans that kept students engaged and excited about learning.
- Created a positive and supportive classroom environment where all students felt comfortable participating.
- Successfully managed a class of 30+ students with varying abilities and learning styles.
- Maintained high standards for student behavior and academic performance.

EDUCATION

Bachelor of Science in Biology at Georgia Institute of Technology

Aug 2013 - May 2017

I have learned how to effectively communicate scientific information to non-experts, how to design and carry out scientific experiments, and how to analyze and interpret scientific data.
