Profile

I am a hitting coach with over three years of experience in professional baseball. I have worked with hitters at all levels, from high school to the major leagues. I have a proven track record of helping my clients improve their batting average, slugging percentage, and on-base percentage. I am passionate about teaching hitting and love working with young players to help them reach their potential.

Employment History

Hitting Coach at Milwaukee Brewers, WI

Apr 2022 - Present

- Trained and developed All-Star caliber hitters.
- Helped hitters increase batting average by X points.
