Profile

I have over 1 year of experience as a hospice aide. I am passionate about providing care and support to terminally ill patients and their families. I am skilled in providing personal care, emotional support, and practical assistance. I am dedicated to ensuring that my patients are comfortable and have the best quality of life possible during their final days.

Employment History

Hospice Aide at Hospice of the Valley, AZ

May 2022 - Present

- Assisted in providing end-of-life care to terminally ill patients and their families.
- Acted as a liaison between the hospice team and the patient's family, keeping them updated on the patient's condition.
- Monitored patients for changes in condition and reported any changes to the RN or Hospice Physician.
- Provided emotional support to patients and families during times of crisis.
- Assisted with light housekeeping tasks such as laundry, grocery shopping, and meal preparation.
- Transported patients to doctor appointments or other necessary errands.

Hospice Aide II at Hospice Family Care, AZ

Sep 2021 - Mar 2022

- Assisted with the care of 30+ hospice patients each week, providing companionship and emotional support.
- Provided physical assistance to patients with activities of daily living such as bathing, dressing, grooming, etc.
- Assisted nurses with wound care treatments and other medical procedures.
- Monitored patient vital signs and reported any changes to the nurse on duty.
- Kept detailed records of all patient interactions and provided these reports to the supervising RN.
