## Profile

I have over 3 years of experience as a Hospice social worker. I am passionate about helping others and providing support to those who need it most. I have a strong ability to build relationships with patients and their families, and I am dedicated to providing the best possible care for my patients. I am also experienced in grief counseling and end-of-life planning, and I am committed to supporting my patients through every step of their journey.

## Employment History

### Hospice Social Worker at Cheyenne Regional Medical Center, WY

Mar 2022 - Present

- I successfully completed X number of hospice social worker visits, providing support and resources to patients and families dealing with terminal illness.
- I provided counseling services to X number of Hospice patients and their families, helping them cope with the grieving process.
- I helped develop a plan of care for each Hospice patient that included emotional and spiritual support, as well as practical assistance.
- I advocated on behalf of Hospice patients and their families when needed, ensuring that they received the best possible care.

### Hospice Social Worker II at Wyoming Medical Center, WY

Sep 2019 - Feb 2022

- Led support groups for grieving families, averaging 10 attendees per session.
- Conducted home visits to provide counseling and emotional support to patients and families.
- Assisted in the development of individualized care plans for each patient, taking into account social, psychological, and spiritual needs.
- Collaborated with interdisciplinary team members to coordinate hospice services and ensure quality care.
- Wrote progress notes after each visit detailing patient/family interactions and response to interventions.
