

# Vila Champa

HVAC Service Technician

## Profile

Over 3 years of experience as an HVAC Service Technician. I have installed, maintained, and repaired numerous HVAC systems in both residential and commercial settings. My work has always been consistent and professional, adhering to all company standards. I am knowledgeable in a variety of HVAC brands and models, making me a valuable asset to any team. In addition to my technical skills, I possess excellent customer service skills which help create positive relationships with clients.

## Employment History

### HVAC Service Technician at Heating & cooling services, Inc., OR

May 2022 - Present

- Installed a new HVAC system in a home, which increased the home's resale value by \$5,000.
- Repaired an HVAC system in a office building, which saved the company \$200 per month in energy costs.
- Replaced an old and inefficient HVAC system in a school, which resulted in a 30% reduction in the school's energy bills.
- Installed a solar-powered HVAC system in a business, which offset the company's carbon footprint by 10%.
- Helped develop and implement an HVAC maintenance program for a municipality, which has helped to reduce repair costs by 20%.

### HVAC Service Technician II at Oregon Heating & Air Conditioning, Inc., OR

Aug 2019 - Mar 2022

- Installed 50 new HVAC systems in customers' homes.
- Repaired 100 HVAC systems that were not working properly.
- Maintained 200 HVAC systems to prevent future breakdowns.
- Educated 50 customers on proper care and maintenance of their HVAC system.
- Diagnosed and resolved 500 customer complaints related to their HVAC system.

## Education

### High School Diploma at Grant High School, Portland, OR

Sep 2015 - May 2019

I've learned how to effectively communicate with others, how to manage my time wisely, and how to think critically.

## Certificates

### HVAC Excellence - EPA 608 Technician Certification

Jan 2021

### HVAC Excellence - Universal technician certification

Aug 2019
