Profile

I have over 5 years of experience as an Infrastructure Project Manager. I am experienced in managing and coordinating infrastructure projects from start to finish. I have a proven track record of successful project completion within budget and on time. I am skilled in communicating with all stakeholders, including executive management, vendors, and team members. I am also proficient in using project management software tools to manage schedules, risks, and resources.

Employment History

Infrastructure Project Manager at AECOM, GA

Jun 2022 - Present
