

Beverly Koncar

Journeyman Carpenter

I am a journeyman carpenter with over 4 years of experience in the construction industry. I have worked on a variety of projects, from small residential renovations to large commercial developments. I am skilled in all aspects of carpentry, including framing, trim work, and cabinetry. I take pride in my work and strive to produce quality results that exceed expectations.

In addition to my technical skills, I also have strong interpersonal skills which allow me to effectively communicate with clients and other members of the construction team. My ability to problem solve and think critically has helped me successfully navigate through challenging situations on site. I am reliable and hardworking individual who is always willing lend a helping hand when needed.
