

# Itzamara Shouman

Lead Research Assistant

## Profile

Lead Research Assistant with over 5 years of experience. I have worked on a variety of research projects, including clinical trials, epidemiological studies, and public health surveys. I am skilled in data collection and management, as well as statistical analysis using SAS software. I am also proficient in literature searches using PubMed and other databases. My goal is to use my skills and experience to contribute to the advancement of knowledge in my field through high-quality research that can improve population health.

## Employment History

### Lead Research Assistant at Big Sky Research, MT

Apr 2022 - Present

- Led a team of 4 research assistants in conducting market analysis for a new product launch which helped increase sales by 15%.
