PROFILE

I am an experienced licensed occupational therapist with over a year of experience. I have worked in a variety of settings, including hospitals, clinics, and home health care agencies. I have provided services to patients of all ages, from infants to the elderly. I am skilled in assessment and treatment planning, as well as implementing therapeutic interventions. I am also proficient in documentation and communication with other members of the healthcare team.

EMPLOYMENT HISTORY

● Licensed Occupational Therapist at Christiana Care Health System, DE

Mar 2022 - Present

- Successfully treated 85% of patients with disabilities, allowing them to return to work.
- Worked with a multidisciplinary team to develop an individualized treatment plan for each patient.
- Instructed patients and their families on how to use adaptive equipment.
- Provided support and guidance to caregivers of disabled children or adults.
- Evaluated the home environment of disabled patients and made recommendations for changes.

● Licensed Occupational Therapist II at Nemours/Alfred I. duPont Hospital for Children, DE

Aug 2021 - Feb 2022

- Successfully completed a 3-month long internship at an outpatient clinic.
- Worked with a variety of patients, including those with neurological disorders, mental health conditions, and developmental disabilities.
- Created individualized treatment plans based on each patient's needs and goals.
- Helped patients improve their functional skills through the use of activities, exercises, and other interventions.
- Provided support to families and caregivers.
