PROFILE

I am a licensed practical nurse with over three years of experience. I have worked in a variety of healthcare settings, including hospitals, clinics, and home health care agencies. I have provided direct patient care to individuals of all ages and cultures. I am proficient in the use of medical equipment and technology, as well as medications administration. My strong interpersonal skills allow me to effectively communicate with patients, families, and other members of the healthcare team.

EMPLOYMENT HISTORY

● Licensed Practical Nurse at Mercy Hospital, OK

Mar 2022 - Present

- Assisted in the delivery of 15 babies.
- Taught 20 patients how to properly care for their wound.
- Administered over 1,000 injections.
- Assisted in performing 10 surgeries.
- Monitored and cared for 30 patients post-surgery.

● Licensed Practical Nurse II at St. John Medical Center, OK

Aug 2019 - Feb 2022

- Monitored and recorded patient vital signs.
- Assisted with wound care, including cleaning and dressing wounds.
